Newsletter 2017-2018 No. 32

This Week

Our week started with a very special assembly on the feast of Corpus Christi. This is when we remember the sacrifice that our Lord made - giving his body and blood for us. This is especially important for us at this time as we prepare for Holy Communion on Sunday. We ask our School Community and Parish to pray for Paddy and Nikola as they receive the body of Christ and take the next step on their sacramental journey. As always it was fantastic to see the children back on Monday after the half term break full of enthusiasm for the new half term. We have lots planned for this half term including lots of trips - keep an eye out for important dates and letters coming your way.

Attendance

It is vitally important that your child is in school and on time everyday. As a school we constantly aim for 100% attendance to make sure your child is getting the very most out of school.

This year we are planning a very special trip in the summer term to Harry Potter World to reward those children with 99% and above attendance for the whole school year.

We visit families if children are not in school as absences are a concern.

Punctuality

A reminder that registers are taken at **8:45 sharp**. Children arriving after this time are **late**. We have a new sign in system in school - **any late children will need to be signed in by parents**. This will be closely monitored, parents of children who are repeatedly late will be invited into school to discuss further.

Extended Leave

Over the last few weeks I have received requests from parents for extended leave for children. **Under no circumstances will I authorise periods of extended leave.** We are actively working with the local authority to fine parents who are removing children from school for periods of extended leave.

Holy Family Mission Statement

As God's family we work together as brothers and sisters in a safe, happy and compassionate environment. We take pride in everything we do ensuring that our children are motivated to achieve and be the very best they can be.

Built on the foundation of Christ and through teaching of Gospel values, we develop the whole child in a setting which has an understanding and appreciation of all faiths.

Inspired by Pope Francis we endeavour to 'light a fire in the hearts' of our children, empowering them to make a real difference in our diverse, ever changing society.
