

Thursday 8th November -

Reception Remembrance Day / Centenary commemoration of WW1

To commemorate 100 years since WW1 finished we took part in a variety of activities.

- We learnt about life as a WW1 evacuee and joined in with movement and music. (Pack up your troubles)
 - We listened to WW1 inspired music and discussed the instruments we could hear.
 - We wrote prayers to pray for peace in our world and to remember those who had died.
 - We painted a Poppy stone and each dedicated our stone to a fallen soldier.
 - We made poppy biscuits, yummy!
 - We observed a minute silence.
- We watched a motion video on cbeebies and explored how the colours in the sky affected our feelings, the bunny hid under the army helmet.
 - We discussed how people would feel during a time of war.
