

World Book Day

Thursday 7th March 2019

At Holy Family School the theme for World Book Day was "Adventures". The children arrived at school in their colourful, book character costumes enthusiastically talking about their book and character.

We gathered in a special assembly to celebrate reading. Mrs King placed our Bible near the bright, luminous flame to show that Jesus is with us in all that we do at Holy Family School. We congratulated the winners of the Story in a Box from Nursery to Year 6. The boxes were extremely creative showing the stories that the children had chosen.

Reading for Pleasure was in abundance throughout the day with sharing of books across year groups and phases. Lots of new ambitious vocabulary was introduced and the children were challenged to use it in their spoken and written work.

They also learned about the authors and illustrators.

Hopefully we have inspired the children to take on this exciting role in the future.

Well done for a wonderful, World Book Day of Adventures!
