

Holy Family School
Spring Term
Curriculum Overview Year 1

RE	<p>In RE the children will work on the following units.</p> <p>UNIT E Christmas The children will discuss the journey of the 3 Wise Men and the gifts they brought to Jesus.</p> <p>UNIT F Jesus Teacher and Healer The children will read, act out and discuss parables that Jesus told and the meaning of them. Discuss the miracles that Jesus performed and how it makes them feel.</p> <p>UNIT G Forgiveness The children will learn about saying sorry and forgiving others.</p> <p>UNIT H Lent The children will learn about forgiveness and how Jesus wants us to be forgiving. They will write prayers asking for forgiveness and saying sorry and discuss good and bad choices.</p> <p>UNIT I Holy Week The children will learn about the final week in the life of Jesus and order the events of Holy Week from Palm Sunday to the Last Supper The children will learn the traditional prayers which are the Hail Mary, Our Father, Glory Be and the Eternal Rest</p>
Literacy	<p>In Literacy the children will read daily in class. They will learn to spell the common exception words using their phonics and sight skills. They will learn to use the correct punctuation in their writing and to use the correct terminology when using these.</p> <p>The focus will be writing in the past and present tense and writing instructions and chronological and non chronological reports. The children will also learn to write contractions, compound words and different kinds of sentences.</p>
Maths	<p>The children will cover these units in their Maths work.</p> <p>Number and Place Value, counting to 100 forwards and backwards. Writing numbers correctly. Finding 10 more or 10 less. Adding and taking away and recording using the correct symbols. The children will be able to find a fraction of a shape or an amount. They will be able to recognise 2D and 3D shapes and tell the time using o'clock, half past, quarter to and quarter past.</p>
Science	<p>Seasons: To know the names of the 4 seasons and the typical weather associated to these. Look at which season our birthday is in. Talk about how we stay safe in summer and winter. Research the sun.</p> <p>Materials: Compare and sort natural and man-made objects and discuss that some objects are made from the same material. Describe these materials. Investigate the best material to mop up a puddle.</p>
PE	<p>Dance Listen to a range of music and describe with their bodies how the music makes them feel. Perform a short, repetitive dance routine as a class to a known piece of music and construct their own performance within a group.</p>
Topic	<p>In Creative topic week the children's learning will be based on The Lighthousekeeper's Lunch. The children will design and make lighthouses, make a healthy sandwich for the seagulls, learn sea shanty songs and learn about the Mendelssohn's Fingal's Cave. They will learn and use the correct geographical vocabulary for the coast and sea.</p>
Computing	<p>Esafety~ in school and at home Paintit program to create a picture linked the sea. Ebook~class book~edit and print.</p>
