

Holy Family Catholic School

Year 2 Termly Learning plan

Subject	Focus
Religious Education Class Saint: St Martin de Porres	<u>Special Celebrations</u> The children will be looking at the Sacraments of Baptism and Weddings and what special celebrations we have as a family. They will also be looking at the different seasons within the liturgical year. <u>Sharing in the Life of Jesus</u> The children will be looking at stories from the New Testament about Jesus, Mary and the disciples. <u>Advent</u> The children will be preparing for the birth of Christ, looking at the role of John the Baptist and the importance of the Advent wreath.
English	The children will be looking at traditional tales, focusing on writing at length and sentence structure. The children will be concentrating on capital letters, full stops and adjectives in their grammar lessons. Guided reading sessions will focus on comprehension skills and reading for pleasure.
Mathematics	The children will be looking at the place value of 2 digit numbers, partitioning into tens and ones in a variety of ways. They will be identifying number sequences and patterns. The children will be learning key number facts including number bonds up to 20 and multiples of 10. They will also be focusing on addition and subtraction strategies and applying them to real life problems.
Science Week	The children will be looking at animals and humans and how they grow into adults. They will be looking at a range of different materials, and how those materials can be changed. Within both topics the children will be learning to ask scientific questions and collect data from experiments.
Physical Education	<u>Gymnastics</u> The children will be looking at using different body parts to create balances. They will use movements to sequence these balances together. <u>Games</u> The children will be working on attacking and defending skills in game situations.
Computing	The children will be looking at e-safety whilst on the internet and looking at creating and debugging algorithms in programmes.
PSHE	<u>New Belongings</u> The children will continue to develop their self-awareness through exploring the differences and similarities between each other. They will discuss their talents and what makes them who they are.
Theme/Topic led learning Week: Humanities/Art/DT/Music	<u>Argentina</u> The children will be looking at their local surrounding of Small Heath and identify physical and human features there. They will identify the continents and oceans of the world, focusing on South America and Argentina. The children will look at Buenos Aires and identify physical and human features, making comparisons between the two places.
