

Holy Family Catholic School

Year 2 Termly Learning plan

Subject	Focus
Religious Education Class Saint: St Martin de Porres	<p>Christmas: We will look at Mary and Joseph in more detail and discuss the journey that they went on.</p> <p>Parables and Miracles: This term we will look at why Jesus told so many stories with lessons, and how we learn from them in the modern age. We will also look at different stories in the Bible about the miracles.</p> <p>Lent: During this time we think about how Jesus suffered for us and how we can give up something to better appreciate his life. We look at forgiveness in greater detail.</p>
English	<p>This term we will be looking at fables (from our Christmas reading) in both our writing lessons and reading activities. We will also cover a poetry unit later in the term and non-fiction to give the children a range of writing skills. In reading we will be looking to develop our inference skills.</p>
Mathematics	<p>Over the term we will be continuing to review our basic number skills, and our newly learnt addition and subtraction skills. We need to practice our 5 and 3 times tables lots!</p> <p>We will be starting to look at multiplying single digits and dividing later in the term, as well as looking at measurement and shape.</p>
Science Week	<p>Plants and Habitats: We will be going on an experience trip to learn about habitats and plants in the real world. We will be looking at different varieties of plants and where we might find them in our local area and around the world.</p>
Physical Education	<p>Dance: The children will learn about rhythm and repeating movements. They will work individually and in partners and small groups to create a sequence of moves. They will also look at how you create different shapes with your body.</p> <p>Basketball: The children will learn about throwing and catching, as well as the basic rules of this game. They will learn about how to work as a team rather than individually.</p>
Computing	<p>We will be looking in greater depth at programming. We will be trying to fix errors and predict what a programme will do before it begins. As well as this, we will be beginning to look at different ways of data collection.</p>
PSHE	<p>Going for Goals: This term the children focus on their targets, both short term and long term. They will think about why it is important to aim towards a special goal. We learn to appreciate other people's targets and try to help them reach the end goal.</p>
Theme/Topic led learning Week: Mission Week Humanities/Art/DT/Music	<p>The focus for our Mission Week is around Action Aid, a charity that raises money and awareness of the inequality within education around the world. We will be looking at different ways to raise money for this worthy charity and learning about how different children gain an education in other areas of our planet.</p>
