

Holy Family Catholic School

Year 4 Termly Learning plan

Subject	Focus
Religious Education	<p><u>Creation and the story of Abraham to Joseph</u> The children will learn important stories from the book of Genesis and what it means for human beings to be made in the image and likeness of God.</p> <p><u>Jesus teaches us to pray</u> The children will learn about the prayer life of Jesus as he grew up in the Jewish faith.</p> <p><u>Advent</u> The children will learn about the ancestors of Jesus and that he was descended from the House of David.</p>
English	<p>The children will continue to develop their spelling, grammar, punctuation and comprehension skills through Literacy lessons and Guided reading sessions. The grammar focus will be directed towards understanding grammatical terminology, word classes and punctuation rules. The children will learn how to write explanation texts, looking at stories with historical settings and poems that create shapes. They will improve their writing by focusing on their Autumn target sentence types.</p>
Mathematics	<p>The children's target for this term is to learn the 6/7 times tables; those children who are competent should be practising tables learned in Year 3 and using them to find related division facts. The children will be refining their skills in place value, column addition and subtraction, grid multiplication and division and use these to help with solving problems.</p>
Science	<p><u>Digestive system</u> Children will be reviewing why animals need nutrition, moving on to the parts of the digestive system and how it breaks down molecules and helps create energy.</p> <p><u>Teeth</u> Looking at how food intake starts at the teeth. The parts of the teeth and how they are used.</p>
Physical Education	<p>The children will be learning skills and techniques in outdoor invasion game, which will then be put into practise. They will also be developing their skills in gymnastics</p>
ICT	<p><u>Software Developers</u> The children will be planning and designing an educational game. They will create it using the Scratch software.</p>
PSHE	<p>Core themes this term are</p> <ol style="list-style-type: none"> 1. Created and loved by God (health and well-being) 2. Created to love others (relationships)
MUSIC	<p>Using Charanga the children will be learning about pulse and rhythm</p>
Theme led learning: Humanities/Art/ DT	<p><u>Ancient Egypt</u> The children will be learning about characteristic feature of different civilizations especially beliefs, attitudes and experiences. Understanding the use of artefacts and how they can help us understand long ago.</p> <p>Henri Matisse is the artist the children will be learning about and using his techniques as inspiration to create their own art.</p>
