## Year 5 Autumn Termly Learning plan

Subject	Focus
<b>Religious Education</b>	<p><u>Baptism</u> This term, children will be learning about baptism and how it is important to Christians. Throughout this term, we shall also be looking at our class saint, St Augustine, and learning from his examples.</p>
<b>English</b>	<p><u>Classic Narratives</u> This year, year 5 will begin by looking at classic narratives, more specifically, King Arthur. The children will continue to develop their spelling, grammar, punctuation and comprehension skills through Literacy lessons and Guided reading sessions. Children will continue to improve their general language skills with a focus on cohesion and using adverbials for effect within their writing. They will also continue skills developed from last year such as prefixes, suffixes and relative clauses.</p>
<b>Mathematics</b>	<p><u>Number and Place Value</u> During Autumn, year 5 will begin by focusing on Number and Place value. We will be reading, writing and presenting numbers in different ways which include negative numbers. Before moving on the addition and subtraction, we will also spend time on rounding, practical problems and Roman Numerals.</p>
<b>Science</b>	<p><u>Living things and their habitats</u> Children will be learning and raising questions about their local environment throughout the year. They will observe life-cycle changes in a different of living things such as plants in a vegetable garden and animals in the local environment. They will be exploring the work of naturalists and animal behaviorists, for example, David Attenborough and Jane Goodall.</p>
<b>Physical Education</b>	<p><u>Gymnastics</u> The children will learn how to create, perform and evaluate a sequence of movements incorporating a variety of shapes, balances, jumps and ways of travelling.</p>
<b>ICT</b>	<p><u>We Are Game Developers</u> The children will plan their own simple computer game. They will design characters and backgrounds, and create a working prototype, which they will develop further based on feedback they receive.</p> <p><u>We Are Bloggers</u> The children will learn how to create and write a good blog. They will write their own, adding in images and hyperlinks, and will comment on the blogs of others.</p>
<b>PSHE</b>	<p><u>SEAL</u> The children will learn about how to understand their feeling and emotions. They will discuss their feelings about starting a new school year, celebrate the things they are looking forward to and explore strategies for dealing with their worries or concerns. The children will also learn about the importance of getting on with others and discuss ways of doing this well. In addition to this, they will explore the impact that bullying has on others and the importance of reporting it to an adult.</p>
<b>MUSIC</b>	<p>The children will be learning and taking part in Changra music. They have to opportunity to create their own music and explore ways in which to express themselves. Children will also take part in singing practice within the classroom.</p>
<b>Theme led learning: Humanities/Art/DT</b>	<p><u>South Africa</u> Year 5 will be exploring South Africa this term and looking at many different aspects from sport to geographical features. We will understand what make this place so unique and how its history has changed over time.</p>
