

10<sup>th</sup> April 2020

Dear Children

We are really missing you! It has been three weeks now since school shut for most of you; ordinarily we would starting our Easter holidays today. I hope and pray that you and your families are all keeping safe and listening to the advice to stay at home. It is a worrying time and sometimes it is hard to understand what is happening. Please talk to your parents or even your teacher when they ring if you are feeling upset or worried. I hope you are spending lots of time with your family to talk, play games and enjoy each other's company. I also hope you are helping your parents – you could be keeping your room tidy, helping with the dishes or playing with younger brothers or sisters.

I know you have been talking to your teachers each week and that hearing your voice has really cheered them up, so thank you for that. I am glad to see that lots of you are completing your Purple Mash, Spag.com and Times Table Rockstars activities – this will really help you when you come back to school. It's been great seeing some of your pictures of your learning on twitter, we would love to see lots more if you can. Please make sure you are reading every day, this is really important! If you have read all of the books that you took home from school, then there are many really good books on Purple Mash and lots of great authors have been sharing their books online.

We are thinking about you all every day and are praying that this will end soon so we can see all your smiling faces back at school. Please stay safe.

God Bless,

*P.Foley*
