Dear Parents/Guardians

I hope you have all continued to stay safe and well. This continues to a very worrying time for everyone – a time when we all need to look after each other to stay safe. I am sure you are aware that the Government has announced their intention to begin the reopening of schools for children in Nursery, Reception, Yr. 1 and Yr. 6 on Monday 1st June. As I have stated before, **our absolute priority is the health and safety of everyone in our school family.** We have all been working hard to put in place plans to reduce risk for children and staff but I must stress again, **it is impossible to guarantee social distancing with children.** Thank you to all parents in these year groups who have responded to our survey or spoken to us on the phone, this has allowed us to set groups. To ensure the safety of our children we will be phasing their return, this allows us to have reduced numbers and increase space in classes. School will be very different to what it would normally be, children and staff will not be interacting with each other in the way they would have done before. Set out below are the arrangements for the next three weeks; we are still planning for the safe return of other year groups and these arrangements will be shared with all parents when they are ready. Parents who have said they will send back their children in Nursery, Reception, Yr. 1 or Yr. 6 will receive a separate letter confirming the days your child will attend. All parents will also receive a letter giving guidance on parent expectations - we have filmed this guidance in Urdu, Bengali, Romanian and Polish to help with understanding, videos can be found on our website. Thank you all for your cooperation.
