Dear Parents,

Friday 16th May 2014

This week has been such an important one for us as our Year 6 children took their SATs tests. The children were keen and motivated and did their very best with some challenging questions across a range of tests for reading, spelling, punctuation, grammar and maths. Well done to all of them and they thoroughly deserve their trip to Drayton Manor next Tuesday.

Parent Meal Day -yesterday

Thank you to all parents who joined their children for lunch in school yesterday. I know one or two parents were disappointed that they could not join their children however; it is important for parents to understand that we need you to book a lunch so that you can eat with your child and also take the opportunity to try the food we serve for yourself. We always welcome any comments about the quality of the meals so that we can make improvements if we need to.

IMPORTANT Year 5 parent information meeting Wednesday 21st May 2.45 p.m. - applying for Grammar School Places

This is a brief meeting with Mrs. Mulroy and Mrs. Gibbons to offer guidance to those parents who may be thinking about their child applying for a grammar school place for September 2015. The meeting will take place in our ICT suite.

Family Inspire Morning - Friday 20th June

Our final Inspire Workshop/s for this academic year will focus on Science and e-safety. Parents with children in Y1-Y6 will be able to come along to the Inspire and take part in a Science Workshop with all their children together. There will also be a session for parents about safe use of the internet. Please put this date in your diary and there will be more information after half term.

Important reminder to all parents

School is open to pupils only on Monday, Tuesday and Wednesday next week. On Wednesday the children will break up for the May half term break at 3.00 pm and return to school on Monday 2nd June. We are using the two days as training days for staff and school is a Polling Station on Thursday.

Finally, in this month of May which is the month we honour Our Lady the Mother of Jesus let us give thanks to all those people who answered God's call to vocational service in both our local community and communities nationally and globally.

Yours sincerely,

M Mulroy
