Defibrillator

At the summer fair, we would like to raise money for a school
defibrillator. If you do not know what it is, it's a machine that
puts an electric current through someone if their heart stops
beating. It is recommended for all schools to have one.

**If you have any toys to donate for the summer fair
then please bring them in next week and we also
need raffle prizes. Please ask any family businesses
if they would be willing to donate a prize ☺ Thank
you!**

World War II Trip

Thank you to Year 3 who represented the school so well
on Wednesday on their visit to Cannock Chase. Your
day sounded fantastic. You also made some excellent
dens yesterday! Your 'Dig for Victory' topic is certainly
keeping you busy and your learning exciting!
Keep up the good work ☺
