'No Wasters' - Take Over Day

This was a great success. The 'No-Wasters' observed lessons to make sure children were not wasting time; they collected fruit peelings to support recycling to make compost and they supervised during lunchtime to ensure no food was being wasted. Thank you to Zidaan, Shahmat, Fizah; Lamees, Tayyab & Tahmed! You did a great job!

Sports Day next Thursday 18th June

All children from Reception to Year 6 will be travelling to the venue by coach.

Library Books - Return them please! ☹

It is disappointing to learn that some children/families have NOT returned library books or PAID to replace them if lost. If we were a rich school this wouldn't be a problem, but we can't afford to waste money! PLEASE return any books and pay for ones that have been lost.

How money raised has been spent so far:

£190 Nepal Earthquake
£100 Wigs for children with cancer
£100 Birmingham Children's Hospital
£100 Children with visual difficulties
£100 Good Shepherd Appeal
£285 British Heart Foundation
£96 Marie Curie
£525 Rwanda Appeal
£525 Cafod

£280 towards our defibrillator (these cost £1000)
£2000 to restock books for the library
£500 towards performing arts projects

Many thanks on behalf of these charities and the school.

Defibrillator

At the summer fair, we would like to raise money for a school defibrillator. If you do not know what it is, it's a machine that puts an electric current through someone if their heart stops beating. It is recommended for all schools to have one.
