Welcome Back!

It's been fantastic to be able to welcome back the children from their holiday, they all look incredibly smart and taller! We are all really excited about the year ahead and have some amazing experiences planned in to really help the children with their learning. We have spoken a lot since we've been back about our mission - be the best we can be, take pride in what we do and make a difference. This is at the heart of what we do at Holy Family and it's important that we work together to make sure each child is the best they can possibly be. Each child has a school planner which is full of information to help with their learning - we ask you to read through this with your child and sign the included parent agreement. It is really important that your child is reading every night, it makes such a difference to their learning across the whole curriculum. Our upcoming INSPIRES will be focussing on the teaching of reading, the dates are below and it is important that a member of your family attends. As always I thank you for your support and look forward to another successful year at Holy Family

Uniform

A reminder that children should be in their **Autumn** uniform. All children should be wearing white shirts with the school tie. It is also vital that your child has the correct PE kit in school for their PE lessons. We will be contacting parents of children without PE kits. If you are unsure about any part of the uniform policy then please speak to us.

Attendance

It is vitally important that your child is in school and on time everyday. As a school we constantly aim for 100% attendance to make sure your child is getting the very best from their education. Children that are not in school are a concern and we will visit to ensure their wellbeing.

After School Clubs

Have you signed your child up for an 'After School Club'?
Club's start next week!

Termly Learning Plans

You can find what your child will be learning about this term on our website <http://www.holyfam.bham.sch.uk/> under the 'Our Learning' tab. You will also find other important information there from your child's class teacher.
