2019-2020

Update

It has been lovely to be able to welcome back some of our children in Nursery, Yr 1 and Yr 6 over the past two weeks. We are very much looking forward to welcoming more children from other year groups next week. Thank you to all those parents who have read the important information sent out and responded to the surveys given - without this information we cannot plan effectively to safely accept children back into school. We have been able to offer a place to all of those parents who wanted children to return, groups are now set for the remainder of the school year and we cannot accept anymore children back. School is very different at the moment as children are staying in their group bubbles and are not mixing with others. All the arrangements put in place are done with the children's safety as absolute priority, this is why next week those children returning to school will be in just for mornings. For those returning for the first time next week please read over the parent guidance sent with this newsletter. Please stay safe and join me in praying for all those who have been affected by this awful virus.

Goodbyes

I'm sad to say that Mr Magee and Mr Kane will be leaving us at the end of this term. I'm sure you'll join me in thanking them for their dedication and commitment to our children throughout their time at Holy Family. We wish them all the best in the future.

Welcome

We're very excited about welcoming Mr Hill into our school family in September. Mr Hill spent lots of time with us this year on his teaching placement in Yr 6 and Yr 2. I know he is very much looking forward to teaching those children in September and I know the children will be very excited about seeing Mr Hill again.

Home Learning

Teachers have been working really hard to provide planning and support for the children's learning at home. Weekly plans are uploaded every week on to the website, it is really important that children are completing this work at home. Well done to all those children who have done some fabulous work on Purple Mash, we love to see great examples. If you are unsure about anything then please ask your class teacher during weekly phone calls.

God Bless

Mr Foley
