

## A Present for the Baby

The children in Year 1 and Year 2 performed for their family members on Wednesday 10<sup>th</sup> December. The children read confidently, sang and danced telling the story of Bethlehem and Baby Jesus who wouldn't stop crying. Lots of important, wealthy people came to the stable but could not stop Baby Jesus crying. It took the love and kindness of a little girl who brought the greatest gift of LOVE to the stable and eventually Baby Jesus did stop crying. Well done children. A beautiful story shared for us all and a special message to share love with all this Christmas.
