

## Bronze and Silver Star Award

### Friday 28<sup>th</sup> February

We have been busy collecting the stars that children have received for all their hard work in reading regularly, attending school and taking pride in their learning- being the best they can be!

Lots of children have been successful in collecting stars for their daily achievements. During our assembly, we celebrated their success and the children were rewarded with their Bronze and Silver Stars for such a wonderful attitude to learning.

The children from KS2 receiving their rewards.
