

Holy Family Reception – Outdoor Area Redevelopment!

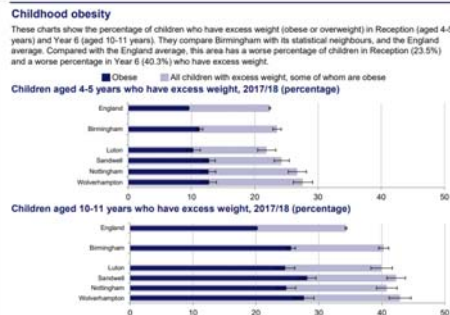

Before

Mid-phase

After

In November 2019 groundwork started for our new Reception outdoor area. This formed a huge part of this years EYFS action plan to develop *enabling environments* for our children based on training with Early Excellence provision.

To develop also children's learning experience, behaviour and attitudes towards early health and physical development. Our concerns for childhood obesity can be seen in this document produced by Public Health England.

Here are some photographs of our new area in action!

Huge thank you to our **EYFS** team for their collective hard work, our Headteacher Mr Foley, Mr Kennedy our school caretaker, Mrs Keating and our supportive board of Governors who support and make all of our school development projects run so effectively.

We would also like to thank Wards Building Services

and Lee Jeffries and his team @ Maxim Systems Ltd.
