

Year 2 ~ World Earth Day

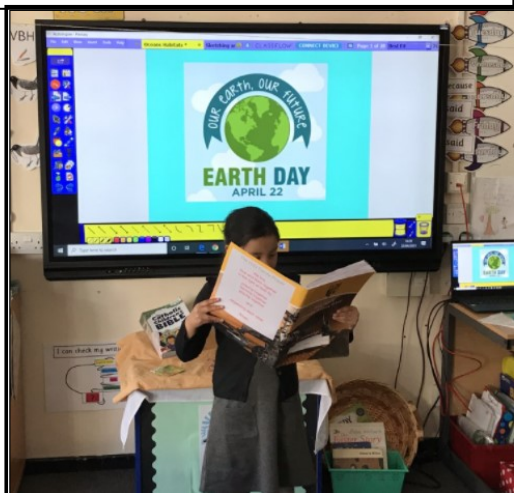

Thursday 22nd April 2021

"Our oceans are amazing habitats with so many beautiful living things."

We read Somebody swallowed Stanley and learned how easily plastic can hurt living things in the oceans.

Working together we used our recycled plastic to produce beautiful fish art work.

We shared our promises.

"We promise to use reusable water bottles every day and recycle plastic.

We promise to ask our families to use

We have shared all our important learning with our friends in school.

"Together we can make a difference to our world."
