

Wednesday 2nd March 2022

Today we welcomed Barbara from Birmingham School of Sanctuary. We gathered and prayed for peace in Ukraine and for refugees seeking safety and sanctuary. Barbara talked about refugees and what we can do as a community. We shared with her all the work we have been doing including the Shoe Box appeal, the Valentine's Day cards and our school project The Invisible.

Year 5 delivered hearts to every class so we could sign and display to say we support refugees and peace.
