

# – Nursery Home Learning –

We realise that your Nursery child is going to be missing opportunities for social interaction, speaking / listening / understanding and physical development. These skills are vital in the Prime areas that underpin all learning!

We have created a guideline and it will really help your child to continue to have a routine, focus and to develop the listening and attention skills that we have been working on in Nursery.

There are a few key things to remember, children learn best when they are having fun, reading with your child is vital, and that we are here to support you and your young child to ensure they continue to develop these essential early learning skills whilst staying safe at home.

## Daily timetable guideline:

<p>Wake up shake up <b>9-9.30am</b> 10-15 minutes of movement to music will help your child feel energised and ready to learn.</p>	<p>We have a range of wake up shake up challenges hyperlinked on the planning just click on the link or you might like to join in with Joe Wicks together as a family!</p>
<p>Group Session <b>10-10.30</b></p>	<p>On a <u>Wednesday</u> your child will take part in a 'teams' meeting this will be a time to talk with peers / teacher and engage with new learning / interests.</p>

<p>Break / Snack</p>	<p>A chance to talk about reflect on learning whilst having a healthy snack and a refreshing drink of water.</p> <p>(Just like we do in Nursery 😊)</p>
<p>Follow up / Online learning tasks. 10.30-12.30</p>	<p>You can take part in tasks found on the planning page &amp; on the class twitter page – parents please click the links to join in.</p> <p>Please tweet us @holy_nursery</p> <p>This may be a photograph/video or comment about your learning today!</p>
<p>2-3pm Story time</p>	<p>Revisit learning / explore new ideas.</p> <p>Story time with Mrs Wright – shared on twitter</p> <p>To read every day is essential.</p> <p>This may be in the afternoon – or at bedtime!</p> <p>Please tweet us @holy_nursery</p>
