### Developing a sense of 10

For this activity you will need your number flash cards 1-10. You will also need 2 containers and 10 objects.

<https://teachers.thenational.academy/lessons/developing-a-sense-of-10-cmvkj>

Remember to complete the activities set.

How many different ways can you sort your objects?

Let’s have a go at writing numbers 1-10. Remember you can use your diary to help you with the formation. You can find the numbers on pages 24-33.

If it’s not too cold maybe you could try writing your numbers outside with chalk.

It’s important to exercise and keep ourselves fit and healthy. Why not start the day off by keeping active. Go for a family walk! Get outdoors, whatever the weather. Try and keep away from other families and groups.

You can also stay fit and healthy by joining in with exercises within the home. Follow the links on the physical movement pages. Maybe you could do them as a family. Don’t forget to stay hydrated and to do the cool down afterwards.

Remember you can choose your favourite!!
