

Holy Family Catholic SCHOOL
Year 2 Autumn Termly Learning Plan

Subject	Focus
Religious Education	<u>Old Testament Stories</u> The children will be learning about the importance of God's people through the Old Testament stories. Year 2 will begin to develop a wider understanding and deeper knowledge of God. The children will learn about Noah, Abraham, Isaac, Jonah, David & David. The children will learn more about the life of Mary and the disciples of Jesus. During Advent, they will learn about preparing for the birth of Jesus and The Advent wreath. Our class saint is St Josephine Bakhita. We will be finding out about her life and the impact she has today through our Catholic Social Teaching work..
English	The children will continue to develop their phonics, spelling, grammar, punctuation and comprehension skills through Literacy lessons and guided reading sessions. The grammar focus will be understanding how sentences are formed. Our English topic this term will be looking at familiar stories, Autumn poems stories about plants and growing. We will be using the books The Tiger who came to tea, Augustus and his smile, Little Wolf and The Night Gardener. Our class author will be Catherine Rayner.
Mathematics	The children will be developing their knowledge of number and place value this term. The children will be learning how to recognise the value of a digit in a 2 digit number (28 = 20 and 8, 2 tens and 8 ones). We will be using the White Rose model to help encourage children to understand, embed and apply their mathematical knowledge. Throughout the year, we will also be learning the 2,3,5 & 10 tables.
Science	<u>Plants and Materials</u> The children will be learning about the importance of seeds and bulbs and which conditions are needed for seeds to grow and plants. The children will be revisiting materials, their properties and uses and investigating which materials would be best in different scenarios.
Physical Education	<u>Multiskills</u> Children will develop their games and multiskills using small and large balls. Working with a partner and in small groups, following rules and developing fair play rules. <u>Gymnastics</u> The children will use their bodies to balance and move in different ways using different apparatus. They will link movements, working individually, in pairs and in groups.
Computing	<u>We Are SAFE!</u> The children will learn how to be SAFE on the Internet. Developing a greater awareness of risks and preventions, the children will become much safer and knowledgeable about harmful things and people they can find on the internet. We are coders We will learn about algorithms and writing codes.
PSHE	<u>PSHE using TEN TEN</u> Throughout the Autumn term, children will be developing a greater awareness for their own body, and how it differs to others (boys & girls). Also, they will begin to understand how to maintain and manage their emotions around their peers.
MUSIC	We will also be working with the Music Service and learning about rhythm and dynamics. We will continue to have our weekly music lesson developing our drumming skills.
History	The children will become historians and investigate, learn and discover what happened in London in 1666. They will learn about the Great Fire and the importance of Samuel Pepys and his diary. They will use primary and secondary sources to learn more, asking questions and developing their historical vocabulary.
Geography	The children will develop their locational knowledge and be able to locate and name the continents and oceans of the world. We will also be answering the question how do we get around our surrounding area? They will also be learning the names and location of the continents and oceans.
ART	The children will be working with a range of materials to make marks and pictures.
DT	The children will be making a moving character using sliders and levers.
